Guest – none

Minutes for November - December were approved by all the members.

Roger gave the treasurer's report. The banking information is open to all members if you'd like to take a look.

Sharon sent in a list of all our members to the NSCR Fellow Page. For those who are not familiar with the Fellow Page, it is one of the perks of being a CVSR member. The Fellow Page is a listing of members in every state with their name, telephone number and city. It's a separate book, not in a magazine. Early in January each year, the members of the National Street Rod Association® (NSRA) are given the opportunity to have their name and phone number listed in the NSRA Fellow Pages so that should fellow rodders be in his or her neighborhood and need assistance, they will have someone they know that will come to their aid as close as the nearest telephone. That's why the NSRA Fellow Pages work, and that's why it works so well...it's rodders helping rodders, and that's a proven, unbeatable formula.
