OLD BUSINESS

- Terry Dolezal reported the December Christmas meeting was fun. Thirty-six members enjoyed a Mexican buffet catered in and a dessert potluck. We collected food bank donations and had an exciting White Elephant gift exchange and drawings for door prizes.
- Dave reported there were no new nominations for serving on the Board of Directors. The current board members have agreed to serve for another year. Dave thanked the current board for volunteering to serve.
- Thank you notes were read from the Salvation Army, Camp Courageous and the Freedom Foundations for donations made to them by our club.
- Dave Bailey and Joyce Dolezal, the Facebook Administrators for the CVSR page reported no updates have been made recently.
- Dave Swenka reported his son made some adjustments for stronger security measures on the CVSR website. There have been many attempts to vandalize our site. The 2024 itinerary is now available to view.
- Dave reported the 2024 Banquet and June membership meeting will be held on June 2nd at the Durgin Pavilion. The club will provide dinner.
- Dave recognized Steve Luense for his generous donation of a bench on the nature trail at Camp Courageous.

NEW BUSINESS

- Sharon Davis reported Crazy Matt's Coal Country Car Tour will be staying at the Town House Suites in Marion May 5th thru 10th. They will be touring different local places, and we are invited to join them and back to the hotel to socialize after 4 PM.
- Terry Dolezal reported the Travel Committee met in January. This year's itinerary is set. Terry will email the itinerary to all members, and it is on the CVSR website. Larry Hampton stated the Speedway Museum has a new addition with new displays. He took a count of interest in a cruise there March 8th thru 10th, with a stop at World of Wheels in Omaha on Sunday.
- Larry also stated that Cruisin' for Camp Courageous meetings have started. Contact Terri Cox if you know of vendors. Thirty-seven trophies for 37 years of CVSR sponsoring Cruisin' will be given out this year. Parking will be more open this year. Groups of cars arriving together can still be parked together.
- Mike & Terri Coleman have rejoined our club. He has a '37 Chevy Sport Coupe and a '34 Ford Pickup. Welcome back Mike & Terri!
